

Hi, I'm Eddy the Beddie

I'm a 'forever foster' lad and I came to BTRF because I didn't have a home and was living on the street.

I will stay with my foster mum forever because I'm quite old now and I have an amazing care team to keep me well.

We are not sure of Eddy's age but think he is about 13 years old. Eddy was rescued by the Midlands Bedlington Terrier Group and came into the care of BTRF in the summer of 2022.

Eddy loves his bed, or should we say beds as he has a very large collection now. He likes to hang out with his foster mum in the home office or snooze in the conservatory.

WHY DOES EDDY NEED SPONSORING?

Eddy has an amazing eye doctor who diagnosed a rare eye condition related to allergies. Eddy has to have regular eye drops to stop his eyes from drying out. He needs a specially formulated diet and supplements to manage his allergies. He also has arthritis and needs pain relief and joint supplements to keep him nice and comfortable in his old age.

Your support will help pay for Eddy's on-going vet bills, his eye drops, medication and specialist food whilst he lives his very best life with BTRF in foster care.

THE PERFECT PRESENT FOR FAMILY, FRIENDS OR YOURSELF!

For gift sponsorships we'll just need to know who to send doggy updates to.
