

Hi, I'm Little Mo

I'm a 'forever foster' girl and I came to BTRF because I was really scared of the outside world and then one of my family got very ill and they couldn't keep me, so BTRF kindly took me in.

I will stay with my foster mum forever because I now live in a very quiet place which helps me feel more chilled and less scared of life. My amazing care team keep a very close eye on me to make sure I stay well.

Little Mo is nine years old and she came into the care of BTRF in 2020. She suffers with anxiety to the outside world, and also has allergies which we need to treat on a regular basis.

Little Mo is a real cutie and loves to play with her toys. She also loves being able to sniff and forage in her favourite quiet places with her foster parents.

WHY DOES LITTLE MO NEED SPONSORING?

Little Mo has a very special behaviourist who is helping her manage her anxiety and to understand that the world doesn't have to be scary. She also needs a specially formulated diet, medication and supplements to make sure her allergies are well managed.

Your support will help pay for Little Mo's on-going behaviourist help, her medication, supplements and specialist food whilst she lives her very best life with BTRF in foster care.

THE PERFECT PRESENT FOR FAMILY, FRIENDS OR YOURSELF!

For gift sponsorships we'll just need to know who to send doggy updates to.
